WRA letter to EPA Region 8 re Bridger 6-10-13.pdf

Shaun

We have just started the comment period on the WY regional haze proposal, so at this time I don't believe we can respond with much substance to WRA's letter other than encourage them to submit comments on our proposal.

Thoughts from others?

Subject: WRA letter concerning Bridger Station

Dear Mr. McGrath:

Attached is a letter from Western Resource Advocates concerning PacifiCorp's intent to install SCR at the Bridger Station in Wyoming.

A copy of this letter is also being sent by U.S. mail.
